

The Complete Contractor

Notification of Extended Working Hours

Following a suspension of works relating to COVID-19, Luddon Construction Limited applied to extend construction working hours on site in accordance with the temporary planning relaxation proposed by the Scottish Government for the construction industry.

Construction working hours on site will now be as follows, effective from 24 June 2020:

Monday – Friday 07:00 – 21:00 (extended from 19:00)
Saturday 08:00 – 13:00 (no change)

Please note, the extended hours do not apply to piling activities.

The extended construction hours will remain in place until such time as the Scottish Government withdraws the guidance set out by the Chief Planner and the requirements for physical distancing are removed.

Luddon Construction would like to apologise in advance for any inconvenience this may cause.

If you have any questions or queries about our work in Blackford, please call or email Highland Spring Group on **01764 660637** or email blackfordrail@highlandspringgroup.com

All site operatives have been advised to direct queries to this phone number.
